

Toowong Cycle and Pedestrian Overpass - NOW OPEN

- Take a stroll or ride your bike to take advantage of this wonderful piece of community infrastructure.
- This has been an issue for a generation, and I am proud to have secured the funds and now see the completion of this project.
- I also believe it will add enormous amenity to those who live and work in the Toowong community

With your support on 21 March I can continue to work for the Toowong community.

Andrew Fraser MP State Member for Mount Coot-ha
